

<b>DESIGN AND MODERNIZATION, cont.</b>	
Remodeling and expansion: Study shows which departments change most often and why. H. McLaughlin, J. Kibre, and M. Raphael	Mr 97
Renovation is inside job at Cook County Hospital. G. W. Downey	Mr 122
Two hospitals that were designed for change	Mr 100
<b>DOWNNEY, GREGG W.</b> Inhalation therapy helps patients come in out of the C.O.L.D.	
Medical Committee on Human Rights: Cynicism, exhaustion, lack of financing are problems, but issues are still there	My 33
Ohio's Medicaid computer is ailing, but system could be contagious if cure is found	My 48
Outpatient center improves care, identifies cost	Je 77
Outpatient surgery: If you can't beat it, join it	Je 88
Renovation is inside job at Cook County Hospital	Mr 122
<b>EDUCATION</b>	
Corporate interest in health delivery is growing: professor	Je 42
Ex-convicts go to hospital — as L.V.N.s. R. Warthen	Mr 48
New York says you can become an R.N. just by taking test	Ap 41
Things looking up — but not too far — for women M.H.A.s	Ja 47
<b>EGAN, DONALD F., M.D.</b> Primer on inhalation therapy	F 75
<b>EISLEBEN, ROBERT and MELCHERT, MARK.</b> This convenience food system is designed around oven	My 108
<b>EMERGENCY CARE</b>	
Emergency care: Hospitals, communities seek better way to handle nationwide problem	Ja 31
Illinois' trauma system: Problems are planning, communications; some hospitals fear being left out	Ja 32
<b>EMERGENCY ROOMS AND OUTPATIENT DEPARTMENTS</b>	
Hospital, city cooperate to provide ambulance service, emergency care to rural area. R. Stevenson	Je 98
Hot wheels: New York Hospital's mobile ICU	Je 95
Midwifery training	Je 104
Nurse-midwife: new approach to old profession. D. Judge	Je 103
Nurses are super-specialists in Hartford	Je 105
Outpatient center improves care, identifies cost. G. W. Downey	Je 77
Outpatient surgery: If you can't beat it, join it. G. W. Downey	Je 88
Study shows who comes to emergency room, what happens after they get there. E. H. Davis	Je 84
<b>FAYOLLAT, PAUL D.</b> HOSPLAN assists budgeting, organization, finance	
FELD, LIPMAN G. You can't tell men from women — on the payroll	Mr 81
<b>FINANCIAL PLANNING</b>	
Computer models: Two ways to do financial forecasts	Ap 103
HOSPLAN assists budgeting, organization, finance. P. D. Fayollat	Ap 103
In this model, question for computer is: What if? F. Montague	Ap 107
<b>FOOD AND FOOD SERVICE</b>	
Airline-style food at down to earth prices. E. E. Cabot	My 129
Better quality, lower costs mean higher pay. E. E. Cabot	Je 130
Hospital retains dietitians, helps nursing homes. E. E. Cabot	F 116
How to relate employees' pay to employees' work. E. E. Cabot	Mr 171
Knowledge, timing are keys to buying by bid. E. E. Cabot	Ja 91
New publication makes "Let them eat cheese" only one option	My 36
No-kitchen food service: some questions and answers. M. Zubkoff and H. Zubkoff	My 115
Survey: As food prices go up, hospitals knuckle down. T. Isaacman	My 105
This convenience food system is designed around oven. R. Eisleben and M. Melchert	My 108

<b>FOOD AND FOOD SERVICE, cont.</b>	
What hospital food experts do for patients, they should do for their communities. E. E. Cabot	Ap 129
Without meat, cost and cholesterol are low. J. L. Henning	My 107
<b>FOR-PROFIT HOSPITALS</b>	
Hospital Corporation of America, American Mediacorp drop merger plans	Ap 49
Too much charity care, too little government support force sale of hospital to for-profit chain	Mr 39
<b>GILLESPIE, ROBERT W., M.D.</b> When O.R., OB are together, quality of care goes up, costs go down	
GINSBERG, FRANCES and CLARKE, BARBARA. Centralized transportation: When the movers aren't moving, they are filling, folding, stocking	F 107
If salesman can't supply evidence to support his claims, talk to another salesman	My 121
Infection control personnel form new organization	Ap 123
What to do if staph infects the staff	Mr 163
What to do, what not to do, to test effectiveness of hospital's steam sterilizers	Je 120
Why surgical staff should give clogs the boot	Ja 89
<b>GOVERNMENT REGULATION</b>	
AHA turns from Congress to the Cost of Living Council as it seeks relief from Phase III rules	My 25
From surgical supplies to steak, everything hospitals buy is going up, survey demonstrates	My 23
Hospitals gird for new problem under Phase III: charges that are controlled and costs that are not	F 23
In anticipation of Phase IV, AHA begins developing its position; expenditure control is main issue	Je 41
In Phase III drama, hospitals are patients and diagnosis is financial emphysema, seminar told	Mr 42
Just about everybody is checking hospitals	Ja 24
Phase III and hospitals: Real problem will be how to finance new construction. R. L. Johnson	Je 69
Safety and occupational health inspectors say hospitals have low priority	Ja 23
... but be ready	F 24
Should the states control Phase III?	F 24
State advisory boards: What they do now, what they may do tomorrow. D. Zwick and J. Hersch	My 56
<b>Health care coalition; Kinzer urges doctor and hospital associations to form coalitions</b>	
Ja 34	
<b>HEALTH CARE DELIVERY</b>	
Second generation neighborhood health center: Services are there but patients aren't	F 25
Senator says national health insurance still has low priority	Ja 25
Telephone employees offered HMO as insurance option	F 36
Why hospital medical staffs can do what HMOs and foundations can't. E. A. Johnson	Ja 75
<b>HENNING, JANET L.</b> Without meat, cost and cholesterol are low	My 107
<b>HERSCH, JAY</b> it auth See <b>ZWICK, DANIEL</b>	
<b>HOLMGREN, JOHN H.</b> Disposables vs. reusables: Choice hinges on safety, space, time, labor, cost factors	My 68
EDP: Something may be better than everything	Ap 66
EOQ means right quantity, at right time	Mr 84
Forecast must consider materials, prices, trends	Je 52
If you ask for bids, you must offer specifications	Ja 50
Inventory control requires cataloging, evaluating	F 54
<b>HORTY, JOHN F.</b> Court places product liability on manufacturer	Ja 48
Hospital has duty to maintain premises, but employees have duty to be cautious	Je 50

<b>HORTY, JOHN F., cont.</b>	
State is responsible for care of child in its custody	F 50
When evidence is in conflict, jury has last word	Mr 78
Who signs what determines who pays how much	My 64
Wife "wins" right to pay her own medical bill	Ap 64
<b>HOSPITAL PLANNING</b>	
Blue Cross criticizes building plans of St. Louis hospitals	F 26
Blue Cross tries to stop payments to 'obsolete' hospital	F 33
Moratorium urged on new bed construction in California	My 52
<b>HUPFELD, STANLEY F.</b> Administrators favor national health plan: survey	Mr 76
<b>In-service education; Continuing education will be mandatory for California nurses</b>	
Mr 32	
<b>ISAACMAN, TED.</b> Survey: As food prices go up, hospitals knuckle down	My 105
<b>JOHNSON, EVERETT A.</b> Why hospital medical staffs can do what HMOs and foundations can't	
Ja 75	
<b>JOHNSON, RICHARD L.</b> Phase III and hospitals: Real problem will be how to finance new construction	Je 69
<b>JUDGE, DIANE.</b> Nurse-midwife: new approach to old profession	Je 103
<b>KEENE, JENNESS.</b> Beautiful hospital grows bigger — and more beautiful	
Mr 127	
<b>KERR, FREDERICK H.</b> Administrative styles: 10 routes to survival	Ja 65
<b>KIBRE, JOHN</b> it auth See <b>MCLAUGHLIN, HERBERT</b>	
<b>KLUMB, EUGENE C.</b> Hospital signs that everyone can understand	My 96
<b>LABOR RELATIONS</b>	
Hospital workers in Britain end strike, at least for a while	My 24
Pay claim leads to strike in Britain	Ja 42
<b>LAW AND THE COURTS</b>	
ANA says retirement plan discriminates against women	My 45
Circuit court rules orderlies' wage may exceed that of aides	Ja 41
Court places product liability on manufacturer. J. F. Horty	Ja 48
Court strikes down North Carolina certificate of need law, says hospitals are similar to businesses	Mr 50
Court tells who must pay bill when the care is unnecessary	Je 35
Doctors suggest that medical staffs should incorporate	Je 34
Hospital has duty to maintain premises, but employees have duty to be cautious. J. F. Horty	Je 50
Hospitals must adapt Patient's Bill of Rights or courts will tell them what it means, lawyer warns	Je 33
Law gives some R.N.s right to function as primary practitioners	My 32
L.V.N.s may perform arterial puncture	Mr 32
Medical school's control of hospital staff challenged	Mr 55
Michigan court rules house staff can form union	Ap 41
Opinion clarifies R.N. role in inoculations	My 54
Pediatricians propose giving minors right to consent to care	Ap 48
Report on hospital reaction to U.S. Supreme Court ruling on abortion	F 31
State is responsible for care of child in its custody. J. F. Horty	F 50
Suit challenges Texas law that allows only doctors to control health maintenance organizations	My 43
Suits seek to block HEW from closing eight PHS hospitals	Je 34
Transfused blood is a service, say 45 states; no it's not, say two others	Mr 49
When evidence is in conflict, jury has last word. J. F. Horty	Mr 78

## LAW AND THE COURTS, cont.

- Who signs what determines who pays how much. J. F. Horty .....My 64
- Wife "wins" right to pay her own medical bill. J. F. Horty .....Ap 64
- You can't tell men from women — on the payroll. L. G. Feld .....Mr 81
- LONDON, JORDAN. New hospital governing board: managers, doctors, consumers .....F 41
- LOOKING AROUND (Ed)
- How they brought good news from White House to AHA House .....Mr 7
- Oracles are more relaxed than is sensible — they may also be wide of the mark .....Je 9
- Parade is uphill and defense always loses .....F 9
- Profit vs. nonprofit: Emotion is seeping out. ....Ap 7
- There is always somebody on the other side .....Ja 7
- What bureaucrats forget Congress may remember .....My 7

- MADDOX, DARRELL. Technology is in, infection is out(?) .....Ap 83
- Management; Administrative styles: 10 routes to survival. F. H. Kerr .....Ja 65
- MCLAUGHLIN, HERBERT and others. Remodeling and expansion: Study shows which departments change most often and why .....Mr 97
- Medicaid; Ohio's Medicaid computer is ailing, but system could be contagious if cure is found. G. W. Downey .....My 48
- Medical libraries; Reference-room-on-wheels shows how even small hospitals can improve their medical libraries. S. Murray .....Ap 119
- Medicare; Doctor views Medicare: Rules, red tape, retroactive denials. P. R. Alper, M.D. ....Ap 76
- MELCHERT, MARK jt auth See EISLEBEN, ROBERT
- MODERN BUSINESS PRACTICE
- Cleveland Press series .....Ap 55
- Washington Hospital Center talks back to *The Washington Post* .....Ap 52
- MONTAGUE, FRANK. In this model, question for computer is: What if? Ap 107
- MURRAY, SUZANNE. Reference-room-on-wheels shows how even small hospitals can improve their medical libraries .....Ap 119

- National health forum; DuVal says public initiative can help solve problems of equal access to health care system .....Ap 62
- National health insurance; Administrators favor national health plan: survey. S. F. Hupfeld .....Mr 76

## OBSTETRICS DEPARTMENTS

- At Nesbitt Memorial, father is OB man .....Ap 35
- Hospitals are responding to decline in obstetrics census by closing, merging or promoting the service .....Ap 31
- OPERATING ROOMS
- Technology is in, infection is out(?) D. Maddox .....Ap 83

## OPERATING ROOMS, cont.

- Turbulence swirls around laminar air flow systems .....Ap 91
- When O.R., OB are together, quality of care goes up, costs go down. R. W. Gillespie, M.D. ....Ap 97

## PATIENT CARE

- Birth of quintuplets tests abilities of two hospitals .....F 36
- Give patient his medical record. Swedish doctor urges .....My 44
- Patients' rights; AHA trustees adopt statement defining patients' rights .....F 26
- Peer review; Quality Assurance Program: AHA's attempt to keep medical review function in hospitals .....Mr 40

## PHARMACY

- Consultant describes changes proposed in Medicare conditions for hospital pharmacy services .....Ja 42
- Drug wholesalers can help you cut inventory costs, speed turnover, obtain planning assistance. G. C. Bowles Jr. My 124
- Federal, state approval for distribution, use of methadone required by new FDA regulations. G. C. Bowles Jr. Ap 126
- Outlook for drug control: more regulations, enforcement at both state, federal levels. G. C. Bowles Jr. ....Je 128
- Pharmacist need not be researcher but he must understand research. G. C. Bowles Jr. ....Ja 90
- Study says unit dose system costs less, reduces medication errors, provides better drug control. G. C. Bowles Jr. Mr 164
- What inhalation therapist needs from pharmacy: drug distribution, information, education. G. C. Bowles Jr. ....F 110

- PLACHY, ROGER. I hear you. What did you say? .....Je 111
- Leader power requires consent of followers .....Mr 153
- Needs guide human behavior — but not always .....Ap 111
- These are elements of decision making F 97
- What leaders need: goals and followers .....Ja 80
- You Theory X, me Theory Y! .....My 73

- POGELER, J. D. Mortgage banker: road map through red tape to the long green .....My 89
- POINTER, DENNIS D. jt auth See RUCHLIN, HIRSCH S.

## PURCHASING

- Disposables vs. reusables: Choice hinges on safety, space, time, labor, cost factors. J. H. Holmgren .....My 68
- EDP: Something may be better than everything. J. H. Holmgren .....Ap 66
- EOQ means right quantity, at right time. J. H. Holmgren .....Mr 84
- Forecast must consider materials, prices, trends. J. H. Holmgren .....Je 52
- If you ask for bids, you must offer specifications. J. H. Holmgren .....Ja 50
- Inventory control requires cataloging, evaluating. J. H. Holmgren .....F 54

- RAPHAEL, MORT jt auth See MCLAUGHLIN, HERBERT

## READER OPINION

- Correction in tense .....Je 54
- Detergent or tuberculocide? .....Je 54
- Emergency care for all .....Je 54
- It's 1973, not 1984 .....F 56
- Mother Goose, updated .....Ap 68
- Not "a THA source" .....My 70
- Nurses on the board .....My 70
- Woman's place .....F 56
- RUCHLIN, HIRSCH S. and others. Hospitals that fail are often small ones .....Je 61

## SIGN SYSTEMS

- Hospital signs that everyone can understand. E. C. Klumb .....My 96
- Where am I? You're at elevator yellow B .....My 97

- SMITH, W. ALLEN Jr. New scale of care helps pinpoint underutilization of hospital beds .....F 46
- Special care units; Coronary care units: New England study raises serious questions about need, cost, regional planning .....Mr 56

## STATE REGULATION

- New commission will control hospital rates in Washington .....Je 47
- Nurses object to reorganization plan .....Je 47
- Seek tight control of Pennsylvania's health care providers .....Je 47
- STEVENSON, RAY. Hospital, city cooperate to provide ambulance service, emergency care to rural area .....Je 98

## SUPERVISION

- I hear you. What did you say? R. Plachy .....Je 111
- Leader power requires consent of followers. R. Plachy .....Mr 153
- Needs guide human behavior — but not always. R. Plachy .....Ap 111
- These are elements of decision making. R. Plachy .....F 97
- What leaders need: goals and followers. R. Plachy .....Ja 80
- You Theory X, me Theory Y! R. Plachy .....My 73

- WARTHEN, RON. Ex-convicts go to hospital — as L.V.N.s .....Mr 48

## WASHINGTON WIRE

- Hospital critics raise new questions on costs. J. F. Brazda .....Ja 21
- Magic: President makes HEW disappear. J. F. Brazda .....F 21
- Medicare: Untouchable program gets bruised. J. F. Brazda .....Mr 27
- New strategy: Talk in public, plan in secret. J. F. Brazda .....My 21
- Nixon's health strategy: pluralism, cutbacks. J. F. Brazda .....Ap 21
- Opening closed doors may not let information out. J. F. Brazda .....Je 21

- Rural Massachusetts hospital forming health maintenance organization .....O 40
- Some hospitals are providers, some are subcontractors .....JI 32
- DESIGN AND CONSTRUCTION**
- Care is delivered in a straight line, but patients are in a circle: Arizona Medical Center, Tucson .....S 103
- Device lets you write one message and deliver seven. R. A. Norling .....S 106
- Links to Memorial Medical Center allow Children's Hospital, Long Beach, Calif., to provide more services at lower cost. R. S. Levering .....Ag 57

DESIGN AND CONSTRUCTION, cont.	
Put patients and services in separate buildings to increase productivity, improve care. M. Pinkert	Jl 112
DOWNEY, GREGG W. Best protection is good men, well trained	Jl 77
Commission is seeking ways to raise health care productivity, but lowering costs is the real goal	O 31
"Crisis minister" at work: Reducing hostility, maintaining dignity, controlling emotions in the emergency room	S 85
How to survive controls: Slash spending, boost efficiency, raise working capital, cut services	Ag 33
Proposed Phase IV regulations draw anger, threats of legal action from hospital officials	N 25
DRUE, ROGER H. Equipment maintenance: How to tell whether you need an in-house staff, an outside contractor, or both	D 70
Education; Effort designed to interest minority students in M.H.A. programs reports success, but not enough	O 37
EMERGENCY CARE RESEARCH INSTITUTE	
Most instrument problems stem from poor design, not from bad ethics, ECRI contends	N 72
Questions ECRI asks: Does it work? Is it safe? Is it reliable? H. L. Lewis	N 68
Who will regulate devices? Nurses and hospitals. H. L. Lewis	N 74
Emergency medical services: Eight ways to provide physician coverage of the emergency room and how to tell which is best. J. G. Lifton	O 79
Emergency planning: Iowa Methodist Hospital is forced to vacate old building	S 40
Energy: Fuel supply problem is beginning to scare a few hospitals	Jl 44
EQUIPMENT MAINTENANCE	
Equipment maintenance: How to tell whether you need an in-house staff, an outside contractor, or both. R. H. Drue	D 70
Suppliers' cooperation is questioned	D 76
What to do when equipment warranty runs out. M. O. Brinkman	D 74
FELD, LIPMAN G. Pay-as-you-go or as you must: How to choose a method for paying state unemployment insurance tax	N 42
FOOD AND FOOD SERVICE	
Communicating with employees: Why people hear same words but get different messages. E. E. Cabot	Jl 126
How to turn hospital kitchen into food factory. E. E. Cabot	D 94
Needed: Disaster plan for food service. E. E. Cabot	O 120
To control costs, eliminate some foods, review purchasing methods, alter recipes, conserve supplies. E. E. Cabot	Ag 96
To make a budget, manager must know costs. E. E. Cabot	S 124
Videocassettes: Using show and tell to teach employees. E. E. Cabot	N 108
Foreign medical graduates: Manpower norms, educational goals are needed to solve problems of foreign medical graduates: report	Jl 43
GAULINS, RICHARD P. (auth See RAPPOPORT, ARTHUR E.)	
GINSBERG, FRANCES and CLARKE, BARBARA. Best way to reglove may be to put on a fresh pair	S 118
Biologic monitor is best test of ETO sterilizer	Ag 92
How to make O.R. entrance mat lie down on the job	Jl 122
GOTCHER, J. WILLIAM and RAIHALL, DENIS T. Establish priorities, price guidelines, responsibilities to make efficient capital budget	D 62
GOVERNMENT REGULATION	
AHA president lists three assaults on Phase IV: hearing, injunction, legislation. T. Isaacman and H. Lewis	D 24
AHA protests latest rules that freeze charges but not wages	Jl 25

GOVERNMENT REGULATION, cont.	
Commission is seeking ways to raise health care productivity, but lowering costs is the real goal. G. W. Downey	O 31
Cost of Living Council health advisory committee is named	Ag 32
Health Industry Advisory Committee mandate under Phase IV	Ag 31
How to survive controls: Slash spending, boost efficiency, raise working capital, cut services. G. W. Downey	Ag 33
Ohio association tries to block state regulatory effort	O 32
Phase IV: Health Industry Advisory Committee begins drawing up new regulations for hospitals	S 36
Price freeze is off but heat stays on AHA as hospitals await new, Phase IV regulations	Ag 31
Proposed Phase IV regulations draw anger, threats of legal action from hospital officials. G. W. Downey	N 25
What Phase IV will mean: Controls on expenditures, enforcement by CLC, more state involvement	N 23
HASTINGS, ARTHUR W. (auth See BLANKENSHIP, M. K.)	
HENNING, JANET L. Seven danger signals of hospital electrical hazards	Jl 103
HOLMGREN, JOHN H. Audit examines inventory control, policies and procedures, prices, organization, data processing	Ag 46
Bidding may be first step in negotiating Linens: How to buy when there is no "white sale"	O 58
Price hospitals pay: How purchaser can tell what seller will charge	Jl 56
Selection of electronic monitors should be based on safety, service, testing, cost, standardization	S 56
Who does what under material management	N 52
HORTY, JOHN F. "Captain of the ship" doctrine sinks: Hospital, not doctor, is held liable for actions of O.R. nurses	D 42
If nurses don't listen to patient's cry for help, jury may hear hospital's plea	S 52
Statute of limitations: Time may be a defense	N 48
The thing does not speak for itself unless these three factors can be applied to the case	O 52
When life is at stake, court must act quickly	Ag 43
Where adequate care is required by law it can be ordered by courts	Jl 52
HOSPITAL FINANCES	
Money, management problems lead a New York hospital to bankruptcy	N 36
Two conflicting needs — cost containment and adequate hospital financing — and a strategy for resolving the conflict. B. R. Tresnowski	S 61
Hospital leadership: If hospital won't lead way to health care reforms, reforms may lead away from hospital. A. R. Somers	Ag 65
House staff: House staff groups bargain for patient care improvements	O 26
IN-SERVICE EDUCATION	
Employee training: from paperwork to patient care	O 93
Messages from outer space: Satellites will extend range of health education programs	O 88
The selling of an emergency medical system, 1973	O 94
INSTRUMENTATION	
Computer tells what the ECG means, if you ask the right questions of the right computer. W. V. Murphy	N 89
Device regulates flow of IV solutions for critical patients. S. Coggin	N 92
Modular monitor: Fix it now, make repairs later	N 82
ISAACMAN, TED and LEWIS, HOWARD. AHA president lists three assaults on Phase IV: hearing, injunction, legislation	D 24
JACOBSEN, T. L. Security emphasis is on guards and TV, survey finds	Jl 91

JELINEK, RICHARD C. and others. Tell computer how sick patients are and it will tell how many nurses they need	D 81
JOINT COMMISSION ON ACCREDITATION OF HOSPITALS	
Guidelines, but not accreditation, set for ambulatory care units	O 33
JCAH inventorying resources to treat four diseases, considering new accreditation programs. H. L. Lewis	Ag 23
TAP: another entry in PSRO sweepstakes	Ag 25
JORDAN, FRED C. Fair system of time off job: Combine sick days, vacation days, holidays into paid days	S 49
KORNEFF, ALLEN. Hospital reports it resorts to retorts to reduce the bulk of its refuse to residue	S 93
Laboratory design: What modern laboratory must include and where to put it. A. E. Rappoport; W. R. Taylor, and R. P. Gaulins	N 55
LABOR RELATIONS	
Local 1199 loses Boston election but not its enthusiasm	Ag 36
Reverse triage used by 33 New York hospitals as they coped with strike	D 23
LAW AND THE COURTS	
"Captain of the ship" doctrine sinks: Hospital, not doctor, is held liable for actions of O.R. nurses. J. F. Horty	D 42
Court upholds hospital's right to withdraw privileges, but it sets tough rules for future peer review	O 23
If nurses don't listen to patient's cry for help, jury may hear hospital's plea. J. F. Horty	S 52
Minnesota hospitals must tell patients about their rights	S 42
New law clarifies tax exempt status of Washington hospitals	N 25
Statute of limitations: Time may be a defense. J. F. Horty	N 48
The thing does not speak for itself unless these three factors can be applied to the case. J. F. Horty	O 52
When life is at stake, court must act quickly. J. F. Horty	Ag 43
Where adequate care is required by law it can be ordered by courts. J. F. Horty	Jl 52
LAZORKO, LISA. Hospital teaches employees how to throw attackers for a loss	Jl 100
LEVERING, REX S. Links to Memorial Medical Center allow Children's Hospital, Long Beach, Calif., to provide more services at lower cost	Ag 57
LEWIS, HOWARD L. In-house security department: Job is policing and protecting, but the way, it is done is public relations	Jl 80
JCAH inventorying resources to treat four diseases, considering new accreditation programs	Ag 23
Questions ECRI asks: Does it work? Is it safe? Is it reliable?	N 68
Who will regulate devices? Nurses and hospitals	N 74
Also (auth See ISAACMAN, TED)	
LIFTON, JAMES G. Eight ways to provide physician coverage of the emergency room and how to tell which is best	O 79
LOOKING AROUND (Ed)	
Blueprint for control: No-knock peer review	Jl 7
It isn't painful, but is it really leadership?	S 7
Multiple hospital system is the only way to go	N 7
Press isn't always all that bad	Ag 7
Somebody is going to ask about the 9,000 patients	D 7
Tell them everything they want to know? You crazy?	O 7
MARKHAM, J. S. What all-inclusive rate leaves out	Jl 48
MCLAUGHLIN, HERBERT. Clinic design emphasizes restraint to minimize patients' tension	S 74

Medical devices; Congress may act on de- vices regulation next year, but FDA is getting ready now. J. Anderson .....N	32
Medical equipment; researchers see huge potential for x-ray scanner .....D	25
Medical staff; Why bureaucrats pick on hospitals — and get away with it ....Jl	33
Medicare; Montana hospitals criticize Medicare, threaten withdrawal .....N	39
Mergers; Five Michigan hospitals involved in two mergers .....Ag	33
<b>MODERN BUSINESS PRACTICE</b>	
Employe incentives: Wages go up as costs go down. M. K. Blankenship and A. W. Hastings .....O	46
Fair system of time off job: Combine sick days, vacation days, holidays into paid days. F. C. Jordan .....S	49
Pay-as-you-go or as you must: How to choose a method for paying state un- employment insurance tax. I. G. Feld	N 42
Tale of two cities — and two systems ....Jl	48
What all-inclusive rate leaves out. J. S. Markham .....Jl	48
MURPHY, WILLIAM V. Computer tells what the ECG means, if you ask the right questions of the right computer	N 89
NELSON, BARBARA KOVAL. Study indicates which patients nurses don't like: unpleasant, long-term, mentally ill, hypochondriacs, dying .....Ag	70
NORLING, RICHARD A. Device lets you write one message and deliver seven ....S	106
<b>NURSE STAFFING</b>	
Tell computer how sick patients are and it will tell how many nurses they need. R. C. Jelinek, T. K. Zinn, and J. R. Brya .....D	81
Variable staffing adds up patient needs to determine how many nurses should provide care .....D	87
Outpatient services; Hospitals should meet need for outpatient surgery, educator says .....Jl	33
<b>PATIENT CARE</b>	
Baltimore physician experiments with diet that could eliminate dialysis ....S	43
Catholic hospital begins program to help unwed mothers .....S	42
<b>PATIENT EDUCATION</b>	
Dose of PEP helps make hearts healthy	O 87
Making the patient a part of patient care	O 105
New hospital commitment: Teaching patients how to live with illness, in- jury. J. S. Shaw .....O	99
<b>PATIENTS' RIGHTS</b>	
Minnesota hospital will study patient's bill of rights .....Ag	112
Patients have rights and responsibilities	N 32
<b>PHARMACY</b>	
Drug review will be part of PSROs but pharmacists await word on what the role will be. G. C. Bowles Jr. ....D	92
Is community pharmacist really better off? Survey data offer basis for com- parison. G. C. Bowles Jr. ....S	120
More controls mean more recordkeeping, security. G. C. Bowles Jr. ....O	116
Technicians could help pharmacists more if state laws would let them. G. C. Bowles Jr. ....N	106
Timed-release medications are convenient for patients, may solve some dosage problems. G. C. Bowles Jr. ....Ag	94
Too many or too few pharmacists? Answer depends on NHI, added ser- vice, number of new graduates. G. C. Bowles Jr. ....Jl	123
<b>PHYSICIANS' UNIONS</b>	
Unions, tell AMA: "We are here to stay." .....O	65
Will your appendectomy be performed by a member of the AFL-CIO? This button is fictitious, but doctors' unions are very real. S. Ulrich .....O	63
PINKERT, MICHAEL. Put patients and services in separate buildings to in- crease productivity, improve care ....S	112
PLACHY, ROGER. Good leaders: respon- sible, original, natural .....Jl	117
Professional standards review organiza- tions; ACS proposes PSRO for cancer programs .....O	32
<b>PUBLIC RELATIONS</b>	
Film program helps Florida hospital explain its costs .....O	40
Media representatives learn truth about hospital costs .....Ag	50
<b>PURCHASING</b>	
Audit examines inventory control, poli- cies and procedures, prices, organiza- tion, data processing. J. H. Holmgren	Ag 46
Bidding may be first step in negotiating. J. H. Holmgren .....D	44
Linens: How to buy when there is no "white sale." J. H. Holmgren .....O	58
Price hospitals pay: How purchaser can tell what seller will charge. J. H. Holmgren .....Jl	56
Selection of electronic monitors should be based on safety, service, testing, cost, standardization. J. H. Holmgren	S 56
Who does what under material manage- ment. J. H. Holmgren .....N	52
RAIHALL, DENIS T. it auth See GOTCHER, J. WILLIAM	
RAPPOPORT, ARTHUR E. and others. What modern laboratory must include and where to put it .....N	55
Regional health networks; Medical schools and community hospitals find basis for a happy marriage: economy, edu- cation .....O	38
Roving reporter; With friends like this, investor owned hospitals don't need enemies .....Jl	60
<b>SAFETY AND SECURITY</b>	
Accident prevention: Past holds key to future. R. W. Brandt .....Jl	98
Best protection is good men, well trained. G. W. Downey .....Jl	77
Construction rules to ensure seismic safety are explained .....Ag	112
Hospital teaches employees how to throw attackers for a loss. L. Lazorko .....Jl	100
In-house security department: Job is policing and protecting, but the way it is done is public relations. H. L. Lewis	Jl 80
NFPA 101: the \$100,000,000 mis- understanding. G. N. Webb .....Jl	107
Security emphasis is on guards and TV, survey finds. T. L. Jacobsen .....Jl	91
Security for sale: Professionals can help hospital control traffic, theft, fire, assaults. J. A. Willis .....Jl	86
Seven danger signals of hospital electri- cal hazards. J. L. Henning .....Jl	103
Thief tells what to do to keep him out. R. D. Bradford .....Jl	87
"To tell the truth" is security game ....Jl	79
<b>SATELLITE HOSPITALS</b>	
Prospects for efficiencies, economies are leading to creation of multi-hospital organizations .....Jl	39
Satellites may put certificate of need in orbit .....Jl	40
Successful multi-unit systems show how shared services can help raise produc- tivity, lower costs .....Jl	41
Shared medical services; Institutions in the Detroit Medical Center agree to shared medical services plan .....D	31
SHAW, JANE S. New hospital commit- ment: Teaching patients how to live with illness, injury .....O	99
Social audit; Social audit: Balance sheet of conscience. L. Deabler .....N	98
<b>SOLID WASTE DISPOSAL</b>	
Hospital reports it resorts to retorts to reduce the bulk of its refuse to resi- due. A. Korneff .....S	93
Solid waste survey: Processing of plas- tics poses a pointed problem .....S	91
Vacuum whisks wastes away with a whoosh instead of a wham. B. Yeager	S 92
SOMERS, ANNE R. If hospital won't lead way to health care reforms, reforms may lead away from hospital	Ag 65
<b>SPECIAL UNIT DESIGN</b>	
Clinic design emphasizes restraint to minimize patients' tension. H. Mc- Laughlin .....S	74
Design for dialysis: new blueprint for treating emotions as well as disease ....S	64
Dialysis system is flexible, nonthreaten- ing .....S	67
STONE, ROBERT E. Problem of addic- tion programs is not keeping patients in but keeping drug culture out ....S	76
Supervision: Good leaders: responsible, original, natural. R. Plachy .....Jl	117

MODERN HOSPITAL  
CHICAGO  
1974

# INDEX TO VOLUME 122

JANUARY TO MARCH, INCLUSIVE

1974

Articles are indexed under subject and author.  
Abbreviations used are: Ja, January; F, February;  
Mr, March; Ed, editorial; jt auth, joint author.

## ACCOUNTABILITY MANAGEMENT

- St. Luke's, Milwaukee, makes its managers accountable. R. J. Grams and P. Peterson .....Mr 98  
To get results, tell employees what results you expect. M. J. Doren .....Mr 96  
American Health Congress; Associations upset over AHA decision on health congress .....Ja 25  
Aseptic practice; Utensil washers free personnel from manual washing, sacking and taping on nursing units. B. Clarke .....F 86

## ASSOCIATIONS

- AHA House endorses leadership actions, approves unity with physicians — up to a point .....Mr 19  
AHA streamlines its management structure .....F 26  
Congressmen seem better informed on health care issues .....Mr 21  
Six groups form Ohio health care coalition .....Mr 29

- Blue Cross; Connecticut Blue Cross may pay for all outpatient lab tests .....Ja 23  
BOCK, H. BARRETT jt auth See HURST, O. RAY  
BOWLES, GROVER C. Jr. Energy crisis may lead to drug crisis .....Mr 105  
Hospitals await effects of ruling that restricts ownership of pharmacies to pharmacists .....F 88  
Recent rulings stymie pharmacist's role in drug monitoring for public .....Ja 70  
BRAZDA, JEROME F. Spring, and NHI, may be late this year .....Mr 17  
Top health issue in Congress: planning F 21  
Why health bills die before they are born .....Ja 17

## CAPITAL FINANCING

- Hospitals want money, lenders want answers. E. J. Frederick .....F 69  
New priorities: Find money first, then plan construction. D. J. Devane .....F 73  
CLARKE, BARBARA. Utensil washers free personnel from manual washing, sacking and taping on nursing units F 86

## COMMUNICATION

- How administrators and subordinates agree and disagree on communications, duties, job changes, obstacles. B. B. Longest Jr. ....Mr 83  
Managers can't go forward without feedback. K. T. Wessner .....Mr 79

## COMMUNITY HEALTH

- Another generation gap: physicians vs. the elderly .....Ja 42  
Ghetto needs: doctors, dollars, dedication. G. W. Downey .....Ja 39

## COMMUNITY HEALTH, cont.

- Patients tell HMO what is wrong so management can do what is right .....Ja 50  
Telephone connection: Hospitals offer mental health care in a youthful package .....Ja 48  
Way to the community's health is through its diet. Sr. J. Martin, RSM Ja 53  
Cost containment; Incentive experiment in Connecticut called success and failure .....Mr 28

- Delivery systems; Kaiser health plan opens third hospital in Cleveland area .....Mr 29

## DESIGN AND CONSTRUCTION

- All the care is under one (long) roof: Clifton Springs (N.Y.) Hospital and Clinic .....Mr 63  
Beauty meets the budget in staff housing at Stamford (Conn.) Hospital .....Mr 70  
Design divides functions to make St. Mark's Hospital, Salt Lake City, more than the sum of its parts .....Mr 53  
Instant architecture for ambulatory care: Build fast but build to last. J. Falick .....Mr 59  
Prototype envisions a future without ends. W. E. Ferro .....Mr 75  
DEVANE, DENIS J. New priorities: Find money first, then plan construction .....F 73  
DOREN, MORRIS J. To get results, tell employees what results you expect Mr 96  
DOWNEY, GREGG W. Educated, involved staff turns rehabilitation axioms into action .....Mr 89  
Ghetto needs: doctors, dollars, dedication .....Ja 39  
Hospitals will get the fuel they need, and a bigger bill .....Ja 54

## ENERGY CRISIS

- Hospitals will get the fuel they need, and a bigger bill. G. W. Downey .....Ja 54  
How to live with less energy: 52 ways to conserve fuel and power (and lower the utility bill, too) .....Ja 59  
Shortage of plastics endangers kidney patients, forces return to reusable hospital products .....Mr 25  
Survey shows common problems: Disposable supplies decreasing; fuel oil and propane costs increasing .....Ja 58  
What the energy crisis means, governmentally speaking .....Ja 55

- FALICK, JAMES. Instant architecture for ambulatory care; Build fast but build to last .....Mr 59  
FERRO, WILLIAM E. Prototype envisions a future without ends .....Mr 75

- Forecasting needs; Simulation tells what really will be needed. O. R. Hurst; C. G. Richie; A. G. Gray; H. B. Bock; W. S. Moore, and L. H. Williams .....Ja 64  
For-profit hospitals; Federation of American Hospitals says Washington is national office .....F 28  
FREDERICK, EARL J. Hospitals want money, lenders want answers .....F 69

## GOVERNMENT REGULATION

- Certificate of need bill is killed in Georgia legislature .....Mr 22  
Encouraged by court victory of nursing homes, hospitals prepare lawsuits against CLC .....Ja 19  
Many new health laws are coming, predicts a Washington observer; "So what?" asks a consultant .....Ja 25  
Phase IV regulations greeted by two new lawsuits, predictions of bankruptcies, and confusion .....F 26  
States balk at naming designated agencies — but does it matter? .....Ja 26  
GRAMS, ROBERT J. and PETERSON, PAUL. St. Luke's, Milwaukee, makes its managers accountable .....Mr 98  
GRAY, ALBERT G. jt auth See HURST, O. RAY

- HENRY, JAMES B. and STANSELL, STANLEY R. Case against leasing: How to compute real cost of buying it yourself .....F 51  
HOLMGREN, JOHN H. Advantages of disposables: safety, cost, convenience Ja 35  
Buy locally to maintain good will, low prices .....F 40  
How to improve buyer-seller relationships .....Mr 38  
HORTY, JOHN F. Doctors and hospitals should insure together to ensure coordination .....Mr 32  
Interns and residents must meet standards of community's medical practice, court rules .....Ja 30  
Liability can extend from surgeon to hospital to primary physician .....F 36  
HOSPITAL OWNERSHIP  
Requiem for the nonprofit hospital? R. L. Johnson .....F 43  
The shape of the future (hospital system) .....F 45  
Housekeeping and maintenance; Labels can help you choose weapons to fight infection if you know how to read them. H. L. Melzer .....Mr 44  
House staff; House officers sign landmark contract with medical center .....Ja 23  
HURST, O. RAY and others. Simulation tells what really will be needed Ja 64

- JOHNSON, RICHARD L. Requiem for the nonprofit hospital? .....F 43

LANAHAN, NOREEN. Medical records warehouse saves space but raises questions .....Ja 28

#### LAW AND THE COURTS

Doctors and hospitals should insure together to ensure coordination. J. F. Horthy .....Mr 32

Interns and residents must meet standards of community's medical practice, court rules. J. F. Horthy .....Ja 30

Liability can extend from surgeon to hospital to primary physician. J. F. Horthy .....F 36

New legal principle: Hospital now is liable for what it should know about its medical staff .....Ja 20

Ruling may impair utilities' ability to make donations .....F 27

Leasing: Case against leasing: How to compute real cost of buying it yourself. J. B. Henry and S. R. Stansell F 51

LONGEST, BEAUFORT B. Jr. How administrators and subordinates agree and disagree on communications, duties, job changes, obstacles .....Mr 83

#### LOOKING AROUND (Ed)

Fights may be harder to duck in the future .....Ja 9

Modern Healthcare: view from the press box .....Mr 7

The real reason is the teachers, not the students .....F 7

LYONS, JAMES F. Hospital studies how supplies move so it can put people in proper place .....F 61

MARTIN, RSM, SR. JOAN. The way to the community's health is through its diet .....Ja 53

Material management: Hospital studies how supplies move so it can put people in proper place. J. F. Lyons F 61

Medical records: Medical records warehouse saves space but raises questions. N. Lanahan .....Ja 28

MELZER, HELMUT L. Labels can help you choose weapons to fight infection if you know how to read them Mr 44

Modern business practice; Computerized Medicaid screening helps speed payments, improve care, stop program abuses. P. E. Trainor .....F 32

MOORE, WILLIAM S. jt auth see

HURST, O. RAY

PECHAN, RONALD E. Patient care partners: unit manager and nurse ....F 81

PETERSON, PAUL jt auth See GRAMS, ROBERT J.

#### PHARMACY

Energy crisis may lead to drug crisis. G. C. Bowles Jr. ....Mr 106

Hospitals await effects of ruling that restricts ownership of pharmacies to pharmacists. G. C. Bowles Jr. ....F 88

Recent rulings stymie pharmacist's role in drug monitoring for public. G. C. Bowles Jr. ....Ja 70

Professional standards review organizations; Pre-PSRO utilization review rules give state agency a role in controlling institutional care .....F 25

#### PURCHASING

Advantages of disposables: safety, cost, convenience. J. H. Holmgren .....Ja 35

Buy locally to maintain good will, low prices. J. H. Holmgren .....F 40

How to improve buyer-seller relationships. J. H. Holmgren .....Mr 38

ROSENKRANTZ, J. A. Unit manager: front-line administrator .....F 79

STANSELL, STANLEY R. jt auth See HENRY, JAMES B.

TRAINOR, PETER E. Computerized Medicaid screening helps speed payments, improve care, stop program abuses .....F 32

#### UNIT MANAGEMENT

Patient care partners: unit manager and nurse. R. E. Pechan .....F 81

Unit manager: front-line administrator. J. A. Rosenkrantz .....F 79

Veterans Administration; Musser reappointed VA medical director .....Ja 23

#### WASHINGTON WIRE

Spring, and NHI, may be late this year. J. F. Brazda .....Mr 17

Top health issue in Congress: planning. J. F. Brazda .....F 21

Why health bills die before they are born. J. F. Brazda .....Ja 17

WESSNER, KENNETH T. Managers can't go forward without feedback ...Mr 73

WILLIAMS, LEWIS H. jt auth See HURST, O. RAY

#### READER OPINION

Caption corrections .....Mr 41

New York strike .....Mr 41

Rehabilitation: Educated, involved staff turns rehabilitation axioms into action. G. W. Downey .....Mr 89
